RECITAL PICTURE DAYS

APRIL 14TH-18TH

PICTURE DAY IS HELD AT THE STUDIO WITH TIM MILLER FROM ART OF DANCE PHOTOS

- Picture day will be a little different this year! During the week of April 14th-18th, dancers will attend their regular class time dressed in costume and have their picture taken then.
- Photos will be taken in Studio 1 during their scheduled class, while Studio 2 will be dedicated to running routines for each other and practicing in costume. This new setup will give our dancers more time to capture great photos without feeling rushed.
- Saturday classes will be scheduled to come in during the week for their photos, as our photographer won't be available on Saturday morning.
- Purchasing pictures is completely optional!
- We ask that everyone attend picture day, even if you don't plan on purchasing any photos. This way you can be in the group photo! Plus, running their routine in costume will be beneficial for your dancer!
- Picture day will include individual photos of each dancer in their costumes, plus group photos of each class!
